

Dear Father (Monsignor),

We the members of Opus Domini Home School Association are seeking a letter of reference for the members of your parish noted below.

We are a member-led group of Catholic homeschooling families who support and build each other up in our homeschooling journeys, provide resources, share experiences, as well as provide a platform for parents to invite other homeschoolers to planned events.

As a group of Catholic parents, we are under the direction of our chaplain, Father Stephen Smith.

To maintain our Catholicity, we require a pastor's reference for each new member to Opus Domini.

This requirement ensures those who request admittance to this organization are Catholic, have children they currently homeschool and adhere to the teachings and directives of our faith.

We ask that you prayerfully consider writing a recommendation for the below mentioned family.

Mother's name: _____

Father's name: _____

Child/ren's name/s: _____

As a group, we require that a pastor's recommendation is given for each parent listing the names and ages of each homeschooled child and listing any and all involvement in your parish community. This ensures that each family's gifts are encouraged appropriately by Opus Domini.

We also welcome any personal feedback you'd be willing to share, as we are a community that seeks to lead each child we encounter to the beautiful truths of our faith, while assisting them in their own homeschooling journey.

Should you have any personal questions about our homeschooling group, please reach out to the Opus Domini board members at: OpusDomini@proton.me

We pray for many blessings in your ministry to the people entrusted to your care.

Please know, we offer a mass for all pastors who recommend members to our homeschool association on a yearly basis. This mass is offered at Church of the Ascension on Sept 21 each year.

Should you recommend the requested family, please affix your signature and parish seal and mail to:

Church of the Ascension
Att: Opus Domini Homeschool
555 S. Main Street
Johnstown, OH 43031

or send via email to: OpusDomini@proton.me

May God bless you in your ministry!
